DEVAL L. PATRICK  
GOVERNOR

TIMOTHY P. MURRAY  
LIEUTENANT GOVERNOR

July 25, 2007

To the Honorable Senate and House of Representatives:

I am filing for your consideration the attached legislative proposal, entitled, "An Act Protecting the Commonwealth From Natural Disasters or Emergencies that Threaten the Public Health or Safety of Its Citizens."

I am filing section 2 of this bill pursuant to my authority under Section 8 of Article II, as amended by Article LXXXIX, of the Amendments to the Constitution of the Commonwealth. Senator Moore, Representatives Callahan and Kujawski and the Town of Uxbridge have asked that this legislation be filed to permit the Town to provide real and personal property tax relief to the citizens and businesses of the Town of Uxbridge whose property was destroyed by the July 21, 2007, Uxbridge fire. As a result of the fire, at least 35 businesses have been displaced and hundreds of employees have been affected. It is critical that we provide immediate assistance to rebuild these small businesses and ensure that employees can return to work as soon as possible.

This legislation provides tax relief to affected Uxbridge taxpayers by setting the value of the real and personal property for tax purposes as the value immediately after the fire. For the businesses that lost all otherwise taxable property, this effectively exempts them from fiscal year 2008 taxes. Moreover, property owners who already made their first quarter payment will get a refund, and only the land will be taxed at the Uxbridge Mill.

This legislation also amends an outside section in the fiscal year 2008 budget, by authorizing the expenditure of so-called

"Katrina funds" to provide funds for cities and towns, like Uxbridge, that are faced with a sudden disaster that requires a swift governmental response to help to protect the public health or safety of the citizens of the commonwealth.

Accordingly, I urge your early and favorable consideration of this bill to ensure that the covered Uxbridge citizens and businesses can meet their financial obligations and get some tax relief, and to ensure that the Commonwealth is prepared for future disasters and emergencies.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "David H. Ladd", written over the text "Respectfully submitted,".
